

HDSG-21-3

SUNGIFT Cork Roll for DIY Bulletin Boards Wall Decor Crafts

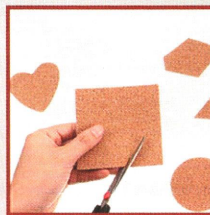

DIY cork board can freely cut the shape according to your needs and preferences. Add a classic look to your office or home, for hanging reminders or displaying documents.

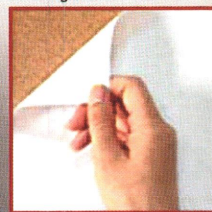

How to use:

1) Clean your smooth and untextured wall/surface before adhering boards

2) Cut the cork board to the required shape before using it

3) Peel off adhesive paper from back

4) Stick the cork board to the wall

Any question with our products, feel free to contact us. We promise a nice solution to you in 24 hours. Thanks!
