

120W USB C Charger Instruction Manual

1. Product Introduction

This product is a 6-ports DC output. The DC part is made of new semiconductor material, and the total output power is 120W. The product is portable, multi ports (3USB-A+3USB-C), fast charging protocol, support QC4+, PD3.0, QC3.0, QC2.0, PPS, SCP, FCP, AFC, PE+, etc. USB-C1 and USB-C2 support a maximum output power of 65W(20V/3.25A) when used independently, providing full-speed PD charging for laptops. When 6 ports are charging at the same time, the USB-C1 port can still continue to charge the laptop, provide PD fast charging for Apple Macbook, and support fast charging for Apple 27W, Apple 20W, Samsung 25W, Samsung 40W(PPS: 10V/4A), Xiaomi 27WW, Huawei SCP 22.5W and other devices.

The product has built-in multiple safety protection circuits such as over-current, over-voltage and temperature protection.

3. Specification

Model No: 818H

Input: AC 100-240V/50-60Hz

Output: 120W

USB-C1/USB-C2: 5V/3A 9V/3A 12V/3A 15V/3A 20V/3.25A

PPS: 3.3-11V/5A 3.3V-21V 3A 65W(Max)

USB-C1+USB-C2: 45W+20W

USB-C3: 5V/3A 9V/3A 12V/2.5A 15V/2A 20V/1.5A 30W(Max)

USB-A1(QC3.0): 5V/3A 9V/2A 12V/1.5A 4.5V/5A 5V/4.5A 22.5W(Max)

USB-C3+USB-A1: 12W +12W

USB-A2(QC3.0): 5V/3A 9V/2A 12V/1.5A 4.5V/5A 5V/4.5A 22.5W(Max)

USB-A3(QC3.0): 5V/3A 9V/2A 12V/1.5A 4.5V/5A 5V/4.5A 22.5W(Max)

USB-A2+USB-A3: 12.5W +12.5W

4. What You Get

- ① 120W 6-Ports USB C Charger*1
- ② 2m 65W Nylon USB C to USB C Cable*1
- ③ Power Cord*1
- ④ User Manual*1

5. Working Temperature

Ambient temperature: -20°C to 40°C in non-tropical areas with an altitude below 2000m.

6. Tips

- (1) Do not store the product in high temperature, strong light and strong magnetic field. Do not place it in other harsh environments such as fire source. If water enters, dry it naturally and use it again.
- (2) Improper use of the product can easily cause damage to the product or may endanger personal and property safety.
- (3) Consumer shall be liable for any personal and property damage resulted from their improper use against the user manual or ignoring the warning, to which our company will not bear any legal liability.
- (4) Disintegration of this product by non-professionals is strictly prohibited.
- (5) Use of household appliances or loads in excess of the output current, of this product shall be avoided (no output due to circuit protection).
- (6) Intense physical actions including knocking, throwing, trampling and squeezing, etc. shall be avoided.
- (7) Please note that the Charger is only suitable for use indoors and in a dry non-humid environment.

(8) If the advertised charging power is not achieved, this cannot be attributed solely to the device, can be attributed to the quality effects of other components, such as the quality of charging cables.

7. Declaration on Toxic or hazardous substances and elements contained in electronic products

Part Description	Toxic or hazardous substances and elements					
	Lead	Mercury	Cadmium (Cd)	Hexavalent Chromium (Cr VI)	Polybrominated	Polybrominated Diphenyl
PCB	X	O	O	O	O	O
Plastic	O	O	O	O	O	O
Metal	X	O	O	O	O	O
Accessories	O	O	O	O	O	O

O: Indicates that contents of the toxic and hazardous substances in all homogeneous materials are below the limit requirements specified by IEC62368-1: 2018, CSA/UL62368-1: 2019, EMC(2014/35/EU), LVD(2014/35/EU), ROHS(2011/65/EU) standard.

X: Indicates that contents of the toxic and hazardous substances exceed the limit requirements specified in IEC 62368-1: 2018, CSA/UL62368-1: 2019, EMC(2014/35/EU), LVD(2014/35/EU), ROHS(2011/65/EU) standard in at least one homogeneous material of the part.

The information provided in this form is based on the data provided by the supplier and in line with the detection result of ROHS environmental requirements. At the current level of technology, use of all toxic and hazardous substances or elements is controlled to the bottom line, but immunity of EU ROHS directive is followed.

Please follow the above safety instructions otherwise it will cause fire, electric shock, damage or other damage.

If you have any questions, please feel free to contact our after-sales email: jmsgroups@hotmail.com
