

Safety and Warranty Guide

Read this guide before you set up and use your product.

Lenovo

Safety information

Plastic bag notice

DANGER

Plastic bags can be dangerous. Keep plastic bags away from babies and children to avoid danger of suffocation.

General battery notice (for notebook computers)

DANGER

Batteries supplied by Lenovo for use with your product have been tested for compatibility and should only be replaced with approved parts. A battery other than the one specified by Lenovo, or a disassembled or modified battery is not covered by the warranty.

Battery abuse or mishandling can cause overheating, liquid leakage, or an explosion. To avoid possible injury, do the following:

- Do not open, disassemble, or service any battery.
- Do not crush or puncture the battery.
- Do not short-circuit the battery, or expose it to water or other liquids.
- Keep the battery away from children.
- Keep the battery away from fire.

Stop using the battery if it is damaged, or if you notice any discharge or the buildup of foreign materials on the battery leads.

Store the rechargeable batteries or products containing the rechargeable batteries at room temperature, charged to approximately 30% to 50% of capacity. We recommend that the batteries be charged about once per year to prevent overdischarge.

Do not put the battery in trash that is disposed of in landfills. When disposing of the battery, comply with local ordinances or regulations.

Notice for removable rechargeable battery (for selected notebook computers)

DANGER

Only recharge the battery strictly according to instructions included in the product documentation.

If the battery is incorrectly replaced, there is danger of an explosion. The battery contains a small amount of harmful substance.

Notice for built-in rechargeable battery (for selected notebook computers)

DANGER

Do not attempt to remove or replace the built-in rechargeable battery. Replacement of the battery must be done by a Lenovo-authorized repair facility, technician, or an independent qualified professional.

Only recharge the battery strictly according to instructions included in the product documentation.

The Lenovo-authorized repair facilities or technicians recycle Lenovo batteries according to local laws and regulations.

Lithium coin-cell battery notice (for selected models)

DANGER

Danger of explosion if battery is incorrectly replaced.

If the coin-cell battery is not a CRU, do not attempt to replace the coin-cell battery. Replacement of the battery must be done by a Lenovo-authorized repair facility or technician.

The Lenovo-authorized repair facilities or technicians recycle Lenovo batteries according to local laws and regulations. When replacing the lithium coin-cell battery, use only the same type or equivalent type that is recommended by the manufacturer. The battery contains lithium and can explode if not properly used, handled, or disposed of. Swallowing the lithium coin-cell battery will cause choking or severe internal burns in just two hours and might even result in death.

Keep batteries away from children. If the lithium coin-cell battery is swallowed or placed inside any part of

the body, seek medical care immediately.

Do not:

- Throw or immerse in water
- Heat to more than 100°C (212°F)
- Repair or disassemble
- Leave in an extremely low air pressure environment
- Leave in an extremely high-temperature environment
- Crush, puncture, cut, or incinerate

Dispose of the battery as required by local ordinances or regulations.

The following statement applies to users in the state of California, U.S.A.

California Perchlorate Information:

Products containing manganese dioxide lithium coin-cell batteries may contain perchlorate.

Perchlorate Material - special handling may apply, see

<https://www.dtsc.ca.gov/hazardouswaste/perchlorate>

Laser safety information

CAUTION:

When laser products (such as CD-ROMs, DVD drives, fiber optic devices, or transmitters) are installed, note the following:

- Do not remove the covers. Removing the covers of the laser product could result in exposure to hazardous laser radiation. There are no serviceable parts inside the device.
- Use of controls or adjustments or performance of procedures other than those specified herein might result in hazardous radiation exposure.

DANGER

Some laser products contain an embedded Class 3A or Class 3B laser diode. Note the following:

Laser radiation when open. Do not stare into the beam, do not view directly with optical instruments, and avoid direct exposure to the beam.

Tip-over hazard prevention notice (for desktop computers)

The computer may cause harm to children if it is not located in an appropriate place. Follow the tips below to protect children from harm caused by the computer tipping over:

- Place all-in-one furniture with beanchore monitors as far possible.
- Keep remote might attract computers or computers or the reach of the
- Supervise children tips have not

Additional compliance information

Regulatory labels

Depending on your country or region, government-
required regulatory information is provided through
one of the following methods:

- On a physical label attached to the outside of
your computer shipping carton
- On a physical label attached to your computer
- Through an electronic-label screen (E-label
screen) preinstalled on your computer

To access the E-label screen, do one of the
following:

- Restart the computer. When the logo screen is
displayed, press F9. The E-label screen is
displayed.
- Restart the computer. When the logo screen is
displayed, press Enter or tap the prompt to enter
the Startup Interrupt menu. Then press F9 or tap
the Regulatory Information option. The E-label
screen is displayed.

Recycling and environmental information

This section shows the recycling and environmental
information for specific countries or regions.

Lenovo encourages owners of information
technology (IT) equipment to responsibly recycle
their equipment when it is no longer needed. Lenovo
offers a variety of programs and services to assist
equipment owners in recycling their IT products. For
information on recycling Lenovo products, go to
<https://www.lenovo.com/recycling>

For additional recycling and environmental
statements, refer to your *User Guide*. The latest
environmental information about our products is
available at <https://www.lenovo.com/ecodeclaration>.

Important battery and WEEE information

Batteries and electrical and
electronic equipment marked with
the symbol of a crossed-out
wheeled bin may not be disposed
as unsorted municipal waste.
Batteries and waste of electrical
and electronic equipment (WEEE)
shall be treated separately using
the collection framework available

to customers for the return, recycling, and treatment
of batteries and WEEE. When possible, remove and
isolate batteries from WEEE prior to placing WEEE in
the waste collection stream. Batteries are to be
collected separately using the framework available

for the return, recycling, and treatment of batteries
and accumulators.

Country/region-specific information is available at
<https://www.lenovo.com/recycling>.

Descarte de um Produto Lenovo Fora de
Uso

Equipamentos elétricos e eletrônicos não devem ser
descartados em lixo comum, mas enviados a pontos
de coleta, autorizados pelo fabricante do produto
para que sejam encaminhados e processados por
empresas especializadas no manuseio de resíduos
industriais, devidamente certificadas pelos órgãos
ambientais, de acordo com a legislação local.

A Lenovo possui um canal específico para auxiliá-lo
no descarte desses produtos. Caso você possua um
produto Lenovo em situação de descarte, ligue para
o nosso SAC ou encaminhe um e-mail para:
reciclar@lenovo.com, informando o modelo, número
de série e cidade, a fim de enviarmos as instruções
para o correto descarte do seu produto Lenovo.

Restriction of Hazardous Substances (RoHS) Directive

European Union RoHS

This Lenovo product, with included parts (cables,
cords, and so on) meets the requirements of
Directive 2011/65/EU on the restriction of the use of
certain hazardous substances in electrical and
electronic equipment ("RoHS recast" or "RoHS 2").

Additional information

Informações adicionais | معلومات إضافية | Informations complémentaires | Información adicional

European Union — compliance with the Radio Equipment Directive

Hereby, Lenovo (Singapore) Pte. Ltd., declares that the radio equipment type ThinkStation P340 is in compliance with Directive 2014/53/EU. The full text of the system EU declaration of conformity is available at the following Internet address: <https://www.lenovo.com/us/en/compliance/eu-doc> This radio equipment operates with the following frequency bands and maximum radio-frequency power:

Technology	Frequency band [MHz]	Maximum transmit power
WLAN 802.11b/g/n/ax	2400 - 2483.5	< 20 dBm
WLAN 802.11a/n/ac/ax	5150 - 5725	< 23 dBm
WLAN 802.11a/n/ac/ax	5725 - 5875	< 13.98 dBm
Bluetooth BR/EDR/LE	2400 - 2483.5	< 20 dBm

Usage of all the radio devices is limited to indoor in the band 5150 MHz to 5350 MHz (channels 36, 40, 44, 48, 52, 56, 60, 64).

União Europeia — Conformidade com a Diretiva de Equipamentos de Rádio

Por meio deste, a Lenovo (Singapore) Pte. Ltd. declara que o tipo de equipamento de rádio ThinkStation P340 está em conformidade com a Diretiva 2014/53/EU. O texto completo da declaração de conformidade de sistemas da UE está disponível no seguinte site: <https://www.lenovo.com/us/en/compliance/eu-doc> Este equipamento de rádio opera com as seguintes faixas de frequência e a energia de frequência máxima:

Tecnologia	Faixa de frequência [MHz]	Potência de transmissão máxima
WLAN 802.11b/g/n/ax	2400 - 2483,5	< 20 dBm
WLAN 802.11a/n/ac/ax	5150 - 5725	< 23 dBm
WLAN 802.11a/n/ac/ax	5725 - 5875	< 13,98 dBm
Bluetooth BR/EDR/LE	2400 - 2483,5	< 20 dBm

O uso de todos os dispositivos de rádio está limitado a interno em banda de 5150 MHz a 5350 MHz (canais 36, 40, 44, 48, 52, 56, 60, 64).

الاتحاد الأوروبي - التوافق مع توجيه الأجهزة اللاسلكية
نحن هنا شركة Lenovo (Singapore) Pte. Ltd. أن نوع الجهاز اللاسلكي ThinkStation P340 يتوافق مع التوجيه رقم 2014/53/EU. يتوفر النص الكامل لإعلان توافق النظام في الاتحاد الأوروبي على عنوان الإنترنت التالي:
<https://www.lenovo.com/us/en/compliance/eu-doc>
يعمل هذا الجهاز اللاسلكي وفق نطاقات التردد وطاقة التردد اللاسلكي القصوى التالية:

تقنية	نطاق التردد [ميغاهرتز]	طاقة الإرسال القصوى
WLAN 802.11b/g/n/ax	2400 إلى 2483.5	> 20 ديسيبل-ميوواط
WLAN 802.11a/n/ac/ax	5150 إلى 5725	> 23 ديسيبل-ميوواط
WLAN 802.11a/n/ac/ax	5725 إلى 5875	> 13.98 ديسيبل-ميوواط
Bluetooth BR/EDR/LE	2400 إلى 2483.5	> 20 ديسيبل-ميوواط

يقتصر استخدام جميع أجهزة أجهزتنا على الأماكن المغلقة في النطاق الذي يتراوح من 5150 ميغاهرتز إلى 5350 ميغاهرتز (القنوات 36 و40 و44 و48 و52 و56 و60 و64).

Union européenne — Conformité à la directive concernant l'équipement radio

Par la présente, Lenovo (Singapore) Pte. Ltd. déclare que le ThinkStation P340, un type d'équipement radioélectrique, est conforme à la Directive sur les équipements radioélectriques 2014/53/EU. Le texte complet de la déclaration de l'UE de conformité du système est disponible à l'adresse suivante: <https://www.lenovo.com/us/en/compliance/eu-doc> Cet équipement radio utilise les bandes de fréquences suivantes et une alimentation à haute fréquence maximum :

Technologie	Bande de fréquence [MHz]	Niveau de puissance de transmission maximal
WLAN 802.11b/g/n/ax	2 400 - 2 483,5	< 20 dBm
WLAN 802.11a/n/ac/ax	5 150 - 5 725	< 23 dBm
WLAN 802.11a/n/ac/ax	5 725 - 5 875	< 13,98 dBm
Bluetooth BR/EDR/LE	2 400 - 2 483,5	< 20 dBm

Les périphériques radio doivent être utilisés exclusivement à l'intérieur, dans la bande de fréquence de 5 150 à 5 350 MHz (canaux 36, 40, 44, 48, 52, 56, 60, 64).

Unión Europea: conformidad con la directiva de equipos de radio

Mediante el presente documento, Lenovo (Singapore) Pte. Ltd. declara que los equipos de radio tipo ThinkStation P340 cumplen con la Directiva 2014/53/UE. El texto completo de la declaración de conformidad del sistema de la UE está disponible en la siguiente dirección de Internet: <https://www.lenovo.com/us/en/compliance/eu-doc> Este equipo de radio funciona con las siguientes bandas de frecuencia y energía de radiofrecuencia máxima:

Tecnología	Banda de frecuencia [MHz]	Energía de transmisión máxima
WLAN 802.11b/g/n/ax	2400 - 2483,5	< 20 dBm
WLAN 802.11a/n/ac/ax	5150 - 5725	< 23 dBm
WLAN 802.11a/n/ac/ax	5725 - 5875	< 13,98 dBm
Bluetooth BR/EDR/LE	2400 - 2483,5	< 20 dBm

La utilización de todos los dispositivos de radio está limitada a interiores en la banda de 5150 MHz a 5350 MHz (canales 36, 40, 44, 48, 52, 56, 60, 64).
